Hope that your wife and self

Dear Sir:-

May 12

1943

I'm just about tired out. Mr. Macallen has been here to his hotel for a moment then a chance to drop you a line. He bought what I imagine will be about 15000 joint property. Mrs. Lily will run it up while I'm away & he pay you on my return. My price was high - otherwise I think the lot would have been sold at least.

There is little doubt but what it is now commencing to be a free for all in N.Y. about the Brown collection. Please to me if you do not get a favorable reply from the Union by the time I get back it would be best to make the blunt suggestion that I come to see you - and buy what is available.

For my time - Mrs. Macallen has very much but it is a strain - this day & night business.

Yours Truly

Dear Sir:

We have having a splendid  
time here just loafing and  
chatting with Mary about the  
plot. She looks fine & I am  
is about over her operation.

Today Gustin Mary & I  
will drive to Ft Worth & see  
visit with Uncle Thomas &  
stay there until I can get  
back to St. Louis. From what I  
hear the part of the country  
is at present entirely cut  
off from St. Louis by flood-  
and I hope to get back home -

I am sorry you had heard  
from New York. I greatly fear  
you won't hear. I always felt  
they would sooner or later  
be swamped by buyers - I  
wonder they are now indifferent

Dear Eric:

31 May

I got tickets over N.Y. Central  
9 am. Saturday - (that being the least  
crowded time of the year when I went over  
on Sunday last Saturday) Home  
within 100-150-200 miles here  
tomorrow.

Not had a very nice letter from  
the Club - but I wonder who they've  
been discussing an article - honestly  
be much surprised to get a  
letter from F.C.B. mentioning my  
coming trip on information to name &  
get from his own recent source in  
the house - Anyhow I hope the  
information is not all over here -  
Really believe this as hope of  
a thundering good deal - one who  
knows - I sure feel we are win-  
ning though you as long as possible -  
for they could feel they were putting over  
a fast one with you how & then - well  
but it would be difficult. Yours M.J.

Dear Mr. Newman:

After I saw you today it occurred to me that it might be a good thing to get matters pretty well lined up in case I am lucky enough to make really important purchases in New York. So, I left 7 notes with the bank not to be used unless I telegraph them to, 30 ea., which with cash on hand etc., will enable me to cover about \$50,000.00 in purchases while still in New York if I think it desirable to do so.

There is a possibility that I might find it necessary to sell a purchase down immediately by paying cash. In that event, I could wire you and you could send me on a cashier's check to cover a similar amount. This is not likely to happen but I believe in providing for all contingencies in my important matters so this may turn out to be.

With best regards,

Sincerely yours,

Dear Sam -

June 9 -

Just after writing you a  
summary of today's events I  
find your letter awaiting me at  
home. It's been an amusing  
day. Politics remains in vogue.  
Of course I'm at a disadvantage  
to you in buying large foreign  
insurance as after all bullion is  
bullion & when a Com' obviously  
has 400 is bullion in it & I can  
hardly hope to get it for 300 -  
But the old boy wanted 5000 for  
the highest & came down to 6500 -  
I offered 2000 for the 300 -  
He came down to 2200 but I  
want to buy - I'm going to inspect  
the 1/4 before tomorrow - will see

I intend pretty much to leave  
as I also told you -

You lived out the previous  
long day - all day and all  
night - I had no relaxation  
unless sitting in the sofa  
for 45 minutes in a complete  
block out can be called  
med. or heavy hours

Edw & Alice to converse with.  
Oh yes and I got the whole damned  
lot of 1960 10:00 P.m. P.m. @ 65 -  
good to you well' own me of  
them & please your hand)

Tomorrow will close and  
will then be total. I will  
send them to him by to  
buy draft week - you will  
have to get together about the  
I would like one draft  
to come in -

I was there when we  
lost the Buenos Aires - but  
can manage to contain my

brief over the last incidents of  
his career. He surely wouldn't  
want to be carried through  
a pocket line - long & find  
himself -

I bet Linda is stuffing her  
stuff these days with her  
new hair do -

Hope I can land a few  
at 164 Eagles & 300 tomorrow.  
Otherwise we are done. There  
is nothing left I want, so  
we will take our time selling -

I want to stay here  
until about Monday after  
I close up tomorrow - if I  
do close tomorrow.

Now, Porter is just  
quint - but he lacks humanistic  
knowledge -

Dear Eric:

Arrived but 20 minutes  
late in a half empty train.

Find my room. Hotels  
are packed however. I had  
to wait an hour to get a  
Room here despite my reservation.

Am feeling ready to be  
aboard full speed tomorrow.

When I shall very frankly  
tell them that I intend to  
buy a large amount of corn if  
prices are equitable. That

in the event the price quoted  
me on a lot of corn is fair  
I shall buy it and not  
attempt to obtain a still lower  
figure and that in the event

It is too high I shall say so  
will ignore ~~franchise~~ - and  
endeavour to obtain a proper  
adjustment.

We have one unfortunate  
break. I rec. <sup>in 1896</sup> some more of the  
Columb' stamps sold at auction  
a week ago for about 7000:-  
much less apparently than  
they expected. As the big  
boom is on in stamps too.

My opinion is still after  
giving the matter plenty of  
consideration on the train -  
the only possible thing is to  
take into consideration not only  
the present market but what  
values are surely going to be  
in the next 6 months or a  
year - You note how prices are  
moving - I kept the  
Brand 1876 c.c. 20<sup>th</sup> piece  
for five years to try to get  
400:- for it - & finally got 375:-

of it too we had I will be  
presenting at once for you -  
and in 8 more weeks figured  
a 75% advance in all other  
to get it.

Dear Lini:

Well - the first & hardest  
day is over. Making the in-  
and a splendid day, work  
good as it was pouring rain.  
found right through lunch  
hour and am pretty tired  
tonight. Since I bought something  
of my trip its hard to be  
you a description. But we are  
going to have a killing  
business & then on. I moved  
very cautiously to about assuring  
reduction until they saw I  
was actually buying in a big  
way - got the other 2000 from  
Pian for 3500. Just a  
lot of other <sup>you</sup> now negotiating  
for some major parties at

suspension of anyone trying to  
be too good to him - and  
prefer to be held at arms  
length - in fact my own  
disposition will best people  
is just about the same -

The few pieces of foreign  
food I bought are very  
cheap. Tomorrow I am  
back after it - I am highly  
pleased - lunch about  
10:00 - spent today - No  
way of knowing -

The stuff I dumped out  
in her. P's absence I  
simply turned over to him  
& said "here are some I bought  
subject to your approval" &  
he has even loaned them  
over - Got 10:00 of the  
pieces of the Rem + 2:00  
Boulder - found up two  
of the extremely rare 2:00

Backless George's how will it

 as the price of the Comman  
 one. But it fits in  
 new high chairs in circles  
 for 125 - Some coin I sold  
 30 years ago for 800 -  
 Now I may pick up  
 3 more in 15 in and for  
 about 200 - (Now wanted)  
 The last one sold brought 6500 -  
 but not these days alone -

I was also able to give him straight from the shoulder opinions based on my experience with the Brand collection - Tomorrow & following days we commenced to go to town with him - Mr. Potter is a gentleman who is extremely

Dear Eric:-  
Well - we went to  
town today - the lunch (by  
you) including P. and myself.  
I got the Ross with boat @ 6.00  
which is not dear. I got the  
1814  $\frac{1}{2}$  <sup>oz</sup> platinum for 175- I  
got so much stuff I don't  
know yet whether I've spent  
all our money or not -  
You heard not from inflection  
For instance yesterday before  
Potter arrived I made lists  
& put (in code) what I  
was willing to pay - The lists  
were marked by him later.  
Many of his prices are

too high on this list but about  
50% are from 10 to 60% less  
than my cost figures —

I bought a lot of corn  
I never heard of before

For instance the Hawaii of  
1883 Regular type in platinum  
and gold — about a half  
dozen series in gold from  
10" each —

At the close of the day  
he forked out a 40 ounce  
gold of Norway — a coin I  
never heard of — I sort  
of ~~was~~ <sup>SWALLOWED</sup> ~~swallowed~~ <sup>heard</sup> &  
tried to make up my mind  
to stand pat at 400" but  
he sound 200" (bullion

4 silver & copper in a

About that much old bullion  
as it I guess (including the coin,  
I bought Span. Doubloon &  
platinum for 50:- I bought  
all the Rare S.A. gold  
or practically common  
Doubloon & piece. I bought  
the Colonel's collection of  
Byzans for 75:- Now even  
found at them. I bought  
his collection of Mex. silver  
(may my Rare) for 60:-  
God only knows what  
I haven't bought.

I got the extremely Rare  
Crowned head eagle Doubloon  
of 1823 Mex. for 50. +  
another for 60:- I never  
owned one - and they  
are simply masterpieces &  
prized of the American old-

Mr. Potter is my buddy -  
He said how so you know  
quite all this coin you  
bought. the exact coin. I  
said - truly enough too -

Why has Porter your putting  
evil thoughts in my mind -  
Dealing with you I know  
I would get everything - it  
never even occurred to me to  
think of it at all!" He  
laughed - "your right" and

Dear Sir: June 9.

I was considerably  
amused at Mr. Stacey's arrival.  
He admitted that his broker  
assured I must be in New York,  
and apparently they just phoned  
the hotels until they found me.  
I told him very bluntly that  
no one else knew I was  
here - and if I found that  
anyone else did know that he  
would be to blame - and that  
his firm in that case would  
never get a single cent from  
me - and that furthermore  
I didn't like their methods  
of payment & they would  
have to be adjusted - What he  
of course blamed on his  
broker & his broker's women

Blame on him.

I'm worried you about the  
buying - Kennedy for long  
after inflation comes on the  
trip. Big foreign & that sort  
of stuff. I think it more  
important in view of the general  
outlook to try & provide ourselves  
with a hedge against inflation  
than anything else. Also  
the profit will be very nice too.

The weather remains  
simply awful - It rains &  
pours and now at 8.45 am.  
is done is bright & pouring again.

Also we had a charming  
complete black out last  
night - sitting in the dark  
for 45 minutes - all hotel  
lights being simply turned  
off.  
Yours Alf

Dear Mr. Morgan:

Just received your mail  
special delivery from Mr. Johnson and he  
asked me to draw you a line and give you  
the latest news.

For your information, Mr. J. P.  
Stark turned up here Monday afternoon. I  
was expecting him here or least so we had  
received a letter saying he was coming but  
it did not come until Mr. Johnson had  
left town. Mr. Johnson tells me in this  
letter that J. P. evidently telephoned his  
brother in New York and just guessed that  
he was in N.Y. Then, they systematically  
called every hotel in the city until they  
found Mr. Johnson. Mr. Johnson was very  
much upset about the whole thing, naturally,  
so now it is all over then that he is in  
New York.

Aside from this annoying trouble  
he is having a wonderfully successful time  
and is terribly pleased about his purchases  
so far.

With best regards,

Sincerely yours,

Dear Louis:

There was such a bug  
to wear mask this time. I  
always visit you but I just  
can't describe what I have  
but except that there isn't  
a coin left in the Green  
Collection that I want except  
the 1/- 1 and small eagles and  
they are too small for our  
blind yet. I offered him 2000/-  
for the 3's yesterday and he  
said 2500/- I said know  
good he said take them away -  
so away they went. My friend  
on the 11/4 eagles today ran  
about 3000/- so I offered  
him 33100/- so I could come  
up. He said at 2 p.m. I for  
today only you can have the

25 + 3 = pieces for brass!! I said  
for today only & will leave them  
for 1000!! He said you can  
have them. You evidently know  
the coin business & you know  
your own mind and its worth  
a very great pleasure to so  
business with you — you and  
his lady will have to  
manage the draft business  
between you — I wrote her a  
letter tonight. Also tried  
my best. I would like  
to get the draft in their  
hands Monday or Tuesday —  
expect to stay here until Wed.  
or Thursday & have coins shipped  
then direct to vault at bank.  
It will take you a month to  
look at this. He ~~believe~~  
literally has saved them and  
old coins. Today I bought  
things such as I have  
seen before — and to  
conclude. his Power

was so pleased with things  
in general that I rounded  
up every thing on what we  
had been unable to agree  
and got those things too  
at my price or in a  
few cases at practically  
my price.

Packed up in Best Acosta  
for we got on the bundles  
he got for flying the men  
from back from Toronto  
cities &c. They were in  
blue men & copper & cost  
so little I couldn't refuse  
them. You can experiment

Dear Sir:-

June 11

I am now awaiting  
the arrival of the money  
either tomorrow or Monday  
to complete the deal.

Had lunch with Boyd  
who tells me that he  
when he lately went to  
the Chase - told how  
important he was - & Porter  
refused to show him  
anything. Don't do to be  
too important around Mr.  
Porter.

Boyd told the 1841 1/4  
high price for 1075. He  
wanted to pay 700. I want  
1200. We compromised @ 1075.

I was pleased to find the  
consideration of the 1841 '14  
page was, to be absolutely  
on, for I did not think  
it a good idea for me to  
inspect it too closely -  
and therefore found it at

Dear Mr. Johnson:

Today I turned over to your secretary, Miss Luby, my check payable to your order for \$51,609.58 drawn on Boatmen's National Bank and certified by them. This check is in payment for my half for my half share of the coins purchased by you in New York for \$103,219.35 from the Estate of E.H.R. Green.

You will note that the amount of my check is 10 cents under the amount due at this time, but I will adjust that when I get a statement for my share of the expenses of the trip.

Swamp & its bump Saturday  
I presume I've had no St Louis  
or other mail today but they  
say some mail will come in  
tomorrow. I've got reservations  
for it coming here. Thursday-

Yes I think over the  
past week the thing that  
impresses me most is my  
experience with Mr. Porter.

And the entire lack of  
trouble I had with him.  
In fact I do not even recall  
having as little difficulty  
dealing with anyone in a  
matter of importance. Of any  
others he did not regret  
more than one out of ten

how important he was being  
by far the leading dealer  
in the country. I could  
just visualize his Porter  
rooming at the place which  
formed about as important  
to him as a dollar would  
to me - I then refused  
to let him see anything at all.  
Heckles breezy Texas bonhomie  
bribe of all things, but  
about the most repugnant  
to her Porter.

Of course I am not supposed  
to know about the heckle  
Porter episode so when  
I dropped a line to heckle  
advising I had the  $\frac{1}{4}$  copy  
& 300 pages - (as he said  
to me when he bought the  
Rough collection after her  
Porter turned him down)  
I casually mentioned that  
one of its most of small

how important he was being  
by far the leading dealer  
in the country I could  
just visualize her Porter  
pouncing at the check which  
looked about as important  
to him as a dollar would  
to me - I then refused  
to let him see anything at all.  
Miles breezy Texas bonhomie  
burst of all things but  
about the most repugnant  
to her Porter.

Of course I'm not supposed  
to know about the whole  
Porter episode so when  
I dropped a line to her  
advising I had the  $\frac{1}{4}$  copy  
& 300 pages - (as he did  
to me when he bought the  
Roosevelt collection after her  
Porter turned him down)  
I casually mentioned that  
one of its most valuable

parts of the entire transaction  
to me was the friendly  
and helpful attitude of  
everyone with whom I dealt  
expressing the gentleman  
representing the whole thing.

Very many amusing  
and interesting things  
have happened which I  
will in due time tell you -  
Mr. Boyd having invited me  
to his house tomorrow night  
would create a sensation  
if known since he never  
has been known to visit  
any local dealer or collector  
then his brother how close  
friends they may be

Yours  
W. J.

Dear Sir: June 14

I came here for a short rest after getting rid of Elmer and before I go to spend the long week Boyd. Find your letter. I shall discuss nothing with Boyd except to loan in any information he may volunteer. We know nothing of how these coms are being handled & I wish long they kept as before. For it loan my free printing to put over some of the pieces I got & divided authority over hot work. My idea for the 1870 is soon. It would sell at once but last

Whoever is interested think it  
over.

Mr. Potter is I am sure  
going to be very friendly to  
me - In fact - I wrote you  
I never in my life met  
with any more congenial to me -  
I really mean it - his type  
I understood & I think he  
understands me / Today I received  
from Mr. Kummer letter of acknowledgment  
and that is always a relief.  
The best I can do for transportation  
is Thursday 7.30 A.M. N.Y. Central  
arriving Boston Friday 4.45 p.m.  
I have given instructions for the  
car to be shipped by train.  
Volley sent to Thursday so they  
can get right down to the vault  
without attracting attention  
going to my office. Besides the  
size of the lot is too  
enormous to be handling all  
over Ohio it goes from my zone  
to Canada.

I appreciate it and intention  
 of yourself & wife as to  
 what to do & where to go -  
 but look at it.

Today at 11 Am. Elder just  
 left 4 pm. last

This is what has been  
 long on all the time. It  
 all means business.  
 So I want the a woman

Wm. Hunt signed for it leaving 7 at 11.4 am  
 & Friday sent in 11.4 am only around today  
 Wm. Hunt 1 Oct. around yesterday - so I can't  
 wait to go to the  
 West Coast  
 with the  
 boat

Come from hull as long what  
 I can get him the round  
 Kelsey for. What mean  
 I have to waste 1 =  
 telling him about it.

Pretty hot & I'm pretty  
 well tired out. but feel  
 fine - yes - I have a correction  
 soul - now young for 1/2  
 days -

My best to you all  
 and a kiss for Linda who  
 is the very imagine lady  
 hair and all of my  
 cousin's hair and Mary Lou.  
 I spent Sunday well then -  
 except Mary Lou has been  
 visiting of the boys.

Yours correct. The error is  
caused by the simple fact I was  
so overwhelmed by work I could  
not check report. I am to  
blame for not doing so. But it  
is only <sup>good</sup> <sup>and</sup> best difficulty I  
could find time to

Dear Mr. Newman:

In reference to our remittance today -  
I caught, too late to correct, an error the fact  
that 10% was not deducted from the lot amounting to  
\$59.50 from 1798 Cent to the bottom. We sold these  
to Wm. A. Gaede, a dealer in Pittsburgh. We will  
deduct \$2.97 net from our next remittance.

Sincerely yours,

Mr. Eric P. Newman

Dear Eric:

Today I received a letter from the Chase National Bank rejecting my offer on the Commemorative Halfs, which, by the way, I would have made several thousand dollars larger if I was making it now because they are also moving up.

There is a definite offer of the 1/2 Eagles at \$125,000.00 which I imagine would mean anywhere from \$75,000.00 to \$100,000.00 actually. It seems to me that even the price of \$125,000.00 is not much out of line. I can figure about 6 or 7 dates that are worth \$50,000.00. For instance, there are two 1832 12 star 1/2 Eagles, this is a piece as great a rarity as the 1832 but will not bring as much because it also exists in another and cheaper variety. However, the coin should bring \$4000.00 or \$5000.00. There are so many 1795's that the whole lot must be worth \$10,000.00 minimum, and every one of the common dates are worth several hundred per year on account of the quantity. There are a number of 1797's worth probably five or six thousand dollars. The two small eagles 1798 are worth around \$6000.00 at least and so I could go on interminably.

I think it would be a good idea to play around with these people and drift into New York in about three weeks time. I do not believe anyone else in the east has enough money to buy them anyway. In any event, it would give me a good excuse to go through the remainder of their coins again and I imagine that after other people have turned pieces down they might be in a more amenable frame of mind about what they have left.

With best regards,

Sincerely yours,

*B. G. Johnson*

Dear Sir:

We have had the sanest  
liver and the best liver combined.

Yesterday I was sure that today  
I would get the ledger for  
which they asked 7000:- and  
for which I offered 10000:-  
at about 5200 or 5300:-

I have written him a  
complete account of yesterday's  
transaction and asked him  
to read same to you so I  
won't go into that. But this  
morning I found on my  
arrival that Porter was in  
close confab with a man  
who I found out later was  
the chap who had stolen to

buy the Clapp collection (which  
had the two 1894 S Dms) two  
years ago. a party named Allen -  
who must have impressed them  
very much with his buying  
powers for today prices are very  
stiff and no adjustments made -  
and nothing said about the  
edges. I & I said nothing for  
I had seen it would be useless  
at this time until they try  
to felloe out. He has plenty  
of money and is not a  
collector but simply is I have  
bought to lay away tangible  
property - so I found the edges  
and half edges are lost to  
us - But I would not  
have retained our 1894 S in  
any possible event. It was  
on the whole the least  
attractive of them all - You  
can be sure if he had showed  
up yesterday morning we  
would not have let it go.

and I'm sure if he had not  
arrived until tomorrow morning  
he would have lost the sugar -

Just one of those things.

I wonder if I have been thanked  
for this affair. But he

could not have known I was  
here - anyhow - there is nothing  
left I want but the sugar  
and half sugar - What  
else there was I got yesterday.

Bought some today but it  
was light crisp. However when  
Mr. Porter asked a Richmond  
man I put the coin down  
in the pit - and later  
showed it again. On Brazil  
coin he asked 1.25 - I got  
for 20 in the shuffle - and  
a French one he found and 20

for at 2:00 also.

have liked to try & at the  
least tell you about your  
half interest & I'm writing  
Mr Stein to please loan  
after the transfer to  
the Chase as he did  
first time. Please let  
it stand to as soon  
as possible.

I'm very tired & a  
bit disappointed but  
did the best I could.

days now.

Dear Eric:

Oct. 5 1943

I wrote you details  
of today's operations in brief.  
I had an amazingly unpleasant  
time of it today.  
Obviously these people had  
lost most of their desire  
to see - and I realized  
that I had to handle the  
situation very carefully -  
but I just cleaned out  
practically every thing in  
the foreign work having -  
being about it calmly and  
showing little interest in  
anything - what is left  
will not free anyone with  
enthusiasm - being common  
overpaid dullness -  
business to pass prices etc.

I have gone over my figures  
on the ledger and feel very  
well satisfied about that  
transaction. If they can  
find anyone willing to  
pay 7000:- for that lot  
they will take them. I don't  
feel that even the 5000:-

I was prepared to receive  
would have been well  
advised. And I'm not  
at all sure they will  
let it. I have a hunch  
that what was actually  
wanted was the double  
ledger. Also I picked  
up some choice log

potholes yesterday they were  
never at including the  
1804 silver proof — @ 40:-

Porter himself was confused  
and sold me a number  
of things under bargain  
value — and as I say

·THE SAVOY·PLAZA·

FIFTH AVENUE 58<sup>TH</sup> AND 59<sup>TH</sup> STREETS  
NEW YORK

by watching the same corn  
been again I got some  
amazing reductions though  
then but remembering it.  
But I can't figure out  
quite the cold blooded  
way these people do business  
especially after all they've  
done us — But I remember  
you several times said they  
would have no personal  
feeling about any thing.  
Selling all that private  
food yesterday on top of  
the winter was fine —  
and today's buys have  
been anything but good —  
In fact I think there  
is going to be quite a  
bit of disappointment with

in some quarters.

I told them not to  
ship before Monday -  
and as I told you by  
wire is not to sell anything  
from this lot until

after Jan 1 - so you can  
be on your trip with  
free assurance guide  
see the whole blooming  
lot. I even bought  
your beloved Maria Watson  
in silver for 6000. Cleared  
up everything in sight.

Got two more loads, 1/2  
dollar in copper. one  
being the only one I ever  
saw with the arms

shined up completely on  
Rev. I'm not sure its  
the same die. I'm not

sure either that one of the  
pallin Eagles is not sold  
& not gilt. Yours

Couldnt look to  
see - bought bought & be all.

Dear Sir

Mary has finally  
finished all the joint property  
except the foreign. She has  
had a long list

after I mailed last  
night's report I noticed  
Mrs. Lely had made a  
couple of errors in dates. I  
enclose the Carbon of the  
original invoice you can check  
& return. I had to make  
this inv. by hand with a  
burn Carbon date in the evening  
I note she also listed an ~~1849~~  
1829 ch as 1859. We are  
completely swamped with  
work. Mary in the vault  
Mrs. Lely & me up here -

Yours

Mr. Eric P. Newman  
6450 Cecil Avenue  
St. Louis, Missouri

Dear Eric:

I came down feeling pretty lousy but feel better than yesterday and expected to spend about an hour here and found Mr. Walton with his two Trade Dollars. Finally came to an agreement that he took \$900.00 of his credit in four lousy slugs we bought last April, which leaves us the one decent one and two other lousy ones.

We will not make any fortune on this deal but I still think it was a good idea to pick up those slugs at the time but I wanted to get rid of them after we got those nice ones the other day. So it will work out all right in the long run. I disliked intensely allowing him to return anything but I like the Trade Dollars better than I do the poor slugs.

Dear Mr. Newman:

As I told you yesterday, I was able to clear out the smaller safety deposit box which I had to get for the October purchases and the larger one for the June purchases so that there is only one box for the joint material now - the one which I got a year ago and the one for which we just paid a year's rental.

The bill for the small October box amounts to \$5.60 rental and \$1.12 tax. The bill for the large June box amounts to \$72.70 rental and \$14.54 tax, making a total of \$93.96 or \$46.98 each.

I will deduct this the first time I send you a check.

I am glad to get things concentrated and it is quite a saving to us.

Sincerely yours,

  
B. G. Johnson
